

Anna Long
MISSIONARY TO THAILAND

December 2025

Hello Friends!

I have had the privilege to present my ministry in the states of South Carolina, Tennessee, Iowa, Pennsylvania, and my home state of Kentucky in the past couple of months. I am thankful the Lord kept me safe during my travels and met my needs.

I have enjoyed being home with my parents and serving on my bus route when I am not traveling. I got to see Bentley, another one of my bus kids, get saved. For the first time, my parents got to attend one of my meetings in Kentucky and see me present my ministry. I am so thankful to be a second-generation missionary.

One of the missionary families on Team Thailand, the Inman family, is in America on furlough. They came and visited my college, and I am thankful I was able to meet with them. They were able to give me encouraging reports of the work in Hua Hin, Thailand. People are getting saved, baptized, and discipled, and the church is growing. I am excited to one day be a part of this growing ministry in Thailand.

Prayer Requests:

- My schedule for next year to be filled
- My safety as I start traveling again

Recap of 2025:

- Traveled to 10 different states
- Presented my ministry to 27 churches
- Currently have 12 supporting churches
- Gained many prayer warriors

The Lord has been good to me this year, and I am excited to see how He will work in the year 2026!

Merry Christmas and a Happy New Year!
