

Serving on the field with missionaries to **evangelize** the lost, **edify** church families, and **encourage** church leadership.

December 2025

Dear Friends and Supporting Churches,

We are humbled to give a report of all that God has done to magnify Himself through the work of our team these past few months. The Lord has truly given us a spiritual breakthrough in this season of our ministry, and we are very encouraged to bring "... fruit that may about to your account."

Mexico

We had the opportunity to partake in a city-wide evangelistic campaign and Missions Conference in Mexicali, Mexico, with about 10 other pastors and missionaries. I had the joy to team up with 2 other evangelists and preach in neighborhood Bible Clubs with adult, teens, and children! By God's grace, almost 350 heard the Gospel, and many people made a public profession to accept Christ! We were also able to distribute over 10,000 Gospel tracts around the city. The highlight of the week for me was the moment during the Missions Conference when over 10 national pastors committed to support our ministry and the Haitian Evangelist Project. It is so humbling to be an ambassador for Christ! Please pray that the Lord would bless these financial commitments.

Dominican Republic

We hosted our 3rd Annual Dominican Republic Gospel Crusade just a few weeks ago. The Lord answered many prayers for us to work with new church plants and see open doors in many public schools within a 5-mile radius from a local church. It has been encouraging to see fruit that remains from our first Gospel Crusade in 2023. This year, we were able to host several youth Gospel events, public-school gatherings, preaching services, and a special service to honor the Wesson family, who have been serving the Lord faithfully for 25 years on the island despite the passing away of their father/husband, Josh Wesson, 10 years ago. To God be the glory, over 2,000 precious souls heard a clear presentation of the Gospel, and over half of them made a public profession to accept Christ as Saviour! Please pray as the churches in the Dominican Republic strive to disciple these new converts.

Latin America Evangelists

A big answer to prayer has been the Lord giving our ministry more young men to help train as evangelists. In our trip to El Salvador, I met a young man named Jason. God has been burdening his heart for the work of the evangelist. His parents spent three to four months of wages to fly him to the Dominican Republic so that he could be with us for the crusade. Pray that God would keep this young man and bless him, as he starts Bible college soon. We are also very encouraged to see how the project with the five Haitian evangelists is moving forward! Two of the men, Alix and Maxon, are close to finishing their studies in the Bible institute. Maxon is currently in Haiti for his wedding and has seen many people saved. We covet your prayers for the Lord to give us wisdom in the matter of supporting these men financially, as the economy in Haiti is not stable. With only U.S.\$600 per month, we can support a **full-time evangelist in Haiti**.

In Christ,

Caleb Amoros
