

Update from the Arold Family

Your Missionaries in Thailand Since 2008

December 2025

Friends and Supporters,

Praise God for our church planters. We have Chan, Goong, Chatchai, and Umm. I have attached pictures of each.

Chan is our church planter in Cambodia. He averages 35 in his church services on Sunday, and after church each week, he goes to the local school and teaches the Bible to 25 kids. He is an amazing soul winner, and he goes into many schools every year and preaches the Gospel.

Goong is one of our church planters in Buriram, about 5 hours from our church. He averages around 35 people every week and does a great job soul winning. We will be visiting him this week to celebrate Christmas services with them on Saturday.

Chatchai is doing a great job in Sam Khok, about an hour from our church. After our services every week, I go and preach there. God blesses us with an average of 35 people every week. They are very mature in Christ and love the Lord very much.

Umm has started a new work in Buriram. He is doing a wonderful job. He averages 15 people in a small town, and we are looking forward to being with him soon.

God bless you. Thank you so very much for your support.
