

LARAE HOFF

October & November 2025

Dear Prayer Warriors,

As we enter this season of giving thanks, there is much for which I have to be thankful. **I am thankful that we can bring our requests before God and for those who have prayed for me.** A week ago, I got sick with an **awful sore throat/tonsillitis**. Due to my not being in school, our teachers messaged me, saying they were praying for me. Folks in America also messaged me on Facebook. **Thank you for your faithful prayers.** Thank you for **praying for my storage totes and donated toys** to come. **They arrived on the shipping container on October 13!** Praise God! No, the customs officials haven't told us yet about the cost of the taxes for the items.

Doctor Side of the Medical

November 2-8, a group from America **came to do medical clinics**. They did them in a few locations near our main church. **Some of our Christian school staff went and assisted in different ways.** Due to several of them going to assist, we were busier than usual in the school, so I helped in the classes that do PACEs. Our staff would come in the morning and tell me about **the folks they met and those who got saved!** I got to see the last clinic day and help for a short time in the triage area. **Praise God for the 1,652 souls saved!**

Please pray about the follow-ups that will be made.

On October 18, I was in Bohyen for a weekend and was **blessed to help in the Saturday Bible Club** there and see how it is going. Before I went to Mampong, I trained some ladies to do this Bible Club. Wow! These ladies—Rhoda, Felicia, Pat, Edna, and Mavis—are doing great! They have **an average of 60-80 children who**

come, and they have decided to keep it at a permanent location. Some of these children come to the Saturday soul-winning meeting, a large handful come to the Sunday morning service, and there are about 10 who come Sunday and/or Wednesday nights. Praise the Lord! On October 24, I had my **last weekend in Mampong**. It's been exciting to see their workers grow in their understanding of Bible Clubs and the church's children's ministries. There has been **a lot of growth in their Junior Church!** Please continue to **keep them in prayer as they work to reach the parents of the children also.** This school term, I was able to help with the **public-school ministry** at a

school that allowed us to come 1 day a week for 8 weeks. **I taught the Gospel to the second through fourth grade classes. We had about 97 students total, and one week, they were all in one classroom—that was a joy!** **Please pray for the children who made salvation decisions** to grow in their faith.

Wow! It's been exciting to travel to the daughter churches. Each Friday, I stop at the market and get groceries for the national pastor's house. At the big markets, I usually ask one of the ladies there to help carry my items. Once, I went to give my helper a tract and asked Emmanuel, my driver, to help me invite her to church because she wasn't understanding my Twi. It was **exciting to hear him say it with enthusiasm. Please pray for Emmanuel to grow as a Christian.**

Saturday Bible Club in Kunsu

Upper-Class Chapel

On November 7, I started helping at the **next daughter church, Fundamental Baptist Church of Kunsu.** I'm helping to train Emmanuel, Esther, Yaw, Dashaun, Priscilla, along with Pastor and Mrs. Naab. We've seen **new children come each Sunday morning** as a result of the Bible Clubs. Please pray for their **parents to come to church also.** School is busy but going well. **Please pray for our teachers to have wisdom** to teach their students. On December 18, our first grade through high school students at **Fundamental Baptist Academy will be doing a Christmas play.** Please **pray for the students as they prepare, and pray that some of their unsaved parents/relatives will come and hear the Gospel** for the first time.

Christmas time is coming soon. I will be helping the ladies with their **Bible Club in Bohyen on December 22.** We will be doing **Christmas Bible Clubs in Kunsu on December 19 & 20.** **December 15-17, I will be teaching Christmas lessons in the preschool chapels at FBA.** I want to wish you and your family a very Merry Christmas and a Happy New Year. I pray that your **celebrations of our Saviour's birthday** will be special. **Thank you for being a blessing to me and the ministries here in Ghana!**
