

THE BOSJES TO THAILAND

December 2025 Update

December is always a special time of year as we celebrate the birth of our Saviour, but this year it was even more special. We had several fun and memorable activities with different groups in our church and watched God do a miracle on Christmas Sunday!

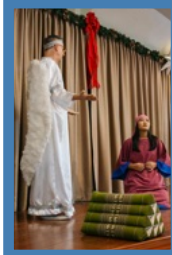

There are a number of faithful folks in our church who are getting up in years, so this year we decided to have a "senior saints" activity. We made it available to anyone over the age of 60 and had a total of 42 people come! We went to a restaurant in town and had a wonderful time singing, playing games, and enjoying sweet fellowship with these dear Christians.

Our team staff Christmas party was also a very special time. God has blessed us with the privilege of working alongside some incredible

servants of His. Many of our staff members have stayed faithful through difficult challenges and hardships, and it is an honor to be on the same team with them.

Christmas Sunday 2025 was a day I will never forget! For years, our church has given a gift to every person who comes on the Sunday before Christmas. This year, we purchased 5 kilogram bags of rice to give away. The church staff told me that without any advertising, we would have several hundred people come. We decided to plan for 500 and began praying and making preparation. We gave out flyers and invited people to come see a Christmas drama and receive a bag of rice. I didn't know exactly what to

expect, but just kept asking God to give us 500.

MIKEY'S MOMENT

Mikey has exciting news to share. He is going to a big brother soon! We are expecting another little one in June of next year. Please pray for a healthy pregnancy for Mommy and Baby.

When I arrived at church that morning, there were already several hundred people there. We had tents and screens set up outside since there were almost 5 times as many people outside as there were in the auditorium. After the drama, I preached a short and clear Gospel message. Six people raised their hand for salvation. Praise God! When we counted the totals of how many were there, we came up with 572! Since we asked everyone to register when they arrived, we now have the contact information for almost 500 people who live near our church. Please pray that God blesses and gives us much more fruit as we follow up on these precious souls.

Thank you for your love, support, and prayers!
