

# PASTOR'S PRACTICAL TRAINING ACADEMY (PPTA)

October – December 2025

## Pastor Erick

### *Bungoma Region*

I thank the Lord, for I was able to see two souls saved. Both of them have also come forward for baptism. I was also blessed to witness to a gentleman who was from the Seventh Day Adventist church. I was able to take him through the Gospel and see him turn to Christ alone. He is now seeing the truths from God's Word instead of what he has been taught from the SDA church.

## Pastor Ambrose

It has been a blessing to see a great change in our church since applying what we have learned through PPTA. We have seen new visitors every Sunday this month.

## Pastor Antony

God is truly working a miracle in our church. Since starting soul winning as a church, we have seen our church multiply. Our church people have been growing spiritually through the Bible teachings.

## Pastor David

### *Kuria Region*

I personally am thankful for this PPTA program and every class. It has been so useful in my life. Although I was shy when I first started this program, I now have the confidence to stand and preach God's Word before others.

## Pastor Collince

This month, we have been able to reach many people that have been confused in false doctrines.

Now, by teaching them God's Word, they are growing in Christ.

Since joining the PPTA program, it has taught me how to be humble as a pastor, especially as I meet different people while out witnessing. The soul-winning classes have really helped me know how to first approach others and begin a conversation and to now share with them the Gospel. This month, I have continued to take back to my church what I have been learning in the program. We as a church have had good training and sessions in the church this month. Many church members have been participating, and we have witnessed a steady growth in our church.

Since the PPTA program, our church has focused more on soul winning and discipleship of new believers. From this, we have witnessed our church and ministry grow.
