November/December 2025 Newsletter

Dear Friends and Supporters,

Praise the Lord! We are going back to Argentina on January 27, 2026. Right now, we are working on packing our bags and getting ready to go. Our GOD has blessed us. We'll soon be back in Argentina with our people, serving the LORD together with the church there.

I'm improving health-wise. My left hand is working better. We're very grateful for supporters like you whose prayers have been a tremendous blessing. I believe GOD is hearing your prayers and answering them. I'm praising the LORD for how HE has healed me. Thank you for your prayers.

I grew up in Argentina as a child. Back in 1974, I went to Argentina for the first time with my parents. My parents were missionaries in Argentina for many years, and now I get to go back to Argentina after having had a stroke. Praise the Lord! GOD has many things yet for us to do in Argentina. As far as doing GOD's work, I still have the goal of reaching Argentina for Christ. I don't want to lose the vision and the passion of going forward by faith to reach Argentina for Christ. There is still much work to do in starting new churches and training nationals.

Thank you for your support. I'm very grateful for all of your financial and prayer support. It has been a great blessing. I'm honored to be one of your missionaries. God has blessed me with you as our partner.

Please pray that those in Argentina will be reached for Christ. We continue to go forward by faith. May God bless you richly.

For souls,

Brian R. George and Family
