MISSIONARIES TO EL SALVADOR

December 2025

Dear Praying Friends,

We have had a busy time. It is our public schools' summer vacation. We hosted a new Bible Club in a different community. There was a missions-trip group from Lancaster Baptist Church that led the Bible Club. They did an amazing job with singing, memory verses, and presenting the plan of salvation. There was a total attendance of 82, with 36 saved.

We hosted a Teen Camp the second week of December. Four churches were in attendance, with a total of 51 teenagers. Many made decisions for the Lord! My family and I were able to stay at the campground. Our kids loved helping and playing.

Our daughter Margo is doing very, very well. We did receive the results from her genetic testing, and what the doctors initially thought she had was negative. However, they did find that she is missing a portion of her 15<sup>th</sup> chromosome, but we were informed that there is less than a 10% chance she will have any kind of delays. She is five months old and is already rolling over, eating well, and developing like a normal baby. We are thankful for all of you who have been praying for our baby girl. We are so blessed to have a daughter.

In 2026, we have some exciting times coming up. We are excited to see what God has in store. We have started two additional soul-winning days. We have also been given an amazing opportunity to work with orphan girls. Some of these girls were abandoned because their parents are involved in gangs and are now in the mega prison.

God opened the door for us to have Thursday morning chapels. We are already seeing lives change. Since we started, we have seen at least 60–70 girls saved. Please be in prayer that we can continue this ministry.

Thank you all for your prayers. We are praying for you as the new year begins. If any of you have prayer requests, our family would love to take them to the Lord on your behalf. We are very grateful for all of our supporters.

Your missionaries to El Salvador,

Daniel & Megan Gonzalez
