

The Hannels to the Bus Ministry

Keep the Buses **Going**

January 2026 Year-in-Review Update

Dear Prayer Partners:

God's Help Through You: This ministry that God has given us would not be possible without the prayers and support of each of you, so we give a wholehearted thank you to each one of you. God has blessed us tremendously this past year, and we want to recognize all that He did in this letter so we can praise Him together.

Highlights from 2025: God allowed my family and me to travel over 54,000 miles through 24 states. We visited 34 new churches and worked on 58 buses. God helped us get 31 buses back on the road that were not running. We also helped to start 13 new bus routes. Our family passed out just under 10,000 tracts, 206 salvation decisions were made, and over 1,000 new riders came on the buses. All glory goes to God!

Praises from 2025: God provided many things to praise Him for this year. I was able to leave my full-time job to go full-time into the ministry. God provided a utility body for our truck and a newer truck as well. Our two oldest children were baptized, and Reese just recently made a profession of faith! God gave amazing protection all through our travels, and He provided for our financial needs repeatedly throughout the entire year. We praise Him for how He led us in 2025, and we are excited for all the new doors He is opening for us in 2026!

Bus-Conversion Update: As many of you know, God gave us a bus two years ago to convert into our home so we can travel full-time as a family. This bus conversion will cost us \$52,000-\$80,000. We have already gutted the bus to bare metal. Our next step is to build the subfloor. Please pray with us for the provision to keep building or to find someone to help us build our bus.

Truck Update: In 2025, the Lord gave us the opportunity to get a bigger truck and an enclosed service body for the truck. In July, our truck broke down and has not been running properly since. We have put about \$7,000 into it and still have not found the issue. We will be putting it in a diesel shop by the end of February to get it looked at. Please pray that it will be fixed and that the cost will not be too expensive.

Prayer Requests:

- Salvation of Daisy
- Spiritual growth of Enoch, Alice, and Reese
- Divine appointments
- Meetings in Alabama, Georgia, Tennessee, and Florida
- Increased support level
