Dear Praying Friends and Supporting Churches,

We reported to you about the medical clinics we held in November. These clinics were held in cooperation with Dr. and Mrs. Greg Waller and Truth for Today Medical Missions. We are still thanking God for the over 1,600 individuals who made professions of faith in Christ Jesus. We are following up on over 1,700 prospects from these clinics. Most of these prospects live on our bus route areas of Amanfrom, Ohwim, Asuofua, Achiase, and Adankwame.

We asked for your prayers last month for this massive follow-up effort, and we praise God that it has been productive. I would like to introduce you to several who have been reached through the clinics and the subsequent follow-up:

- **Joseph Mensah** stays near our church, but he had gone to the clinic held in Amanfrom. We followed up on him at the end of November. Mr. Mensah is almost totally blind; he requires someone to lead him around. He was interested in attending church, so I picked him up for church the next day. In Sunday school, Mr. Mensah's faith in Christ was confirmed. He wanted to follow the Lord in baptism. We praise God for this! He has attended every Sunday morning since then.
- Our staff man, Francis Kusi, called **Opoku Boateng**, another prospect from the clinic in Amanfrom. As a result of the phone call, Mr. Boateng started attending our church. Bro. Francis visited Mr. Boateng in his home and won him to Christ. He was very happy for the visit.
- **Vivian Serwaah** stays in Ohwim where one of our clinics was held. Bro. Francis visited her by the roadside where she sells food. It was at that time that Vivian trusted Christ. Then, praise the Lord, she came the next day. She came again the following week. Vivian's knee joints are somewhat deformed, which makes walking difficult for her; I'm happy that our church was able to provide a walker for her.
- Bro. Osgood followed up on **Frank** (*beside Bro. Osgood*), who lives in Abrepo. He was very thankful for the clinic. Bro. Osgood testifies that Frank was still confused about salvation. As Bro. Osgood was preaching to him, a young man named **Junior** (*beside Frank*) came and asked if he could also hear the message. Both of the men listened to the Gospel and professed faith in Christ! Frank has since visited our church and brought his sons with him.
- **Joyce** brought her children, **Elizabeth** and **Jaden**, to one of the clinics. One of our soul winners visited Joyce's shop afterwards and won them to Christ. The kids came to church, along with their friend **Boateng** (*in yellow*), who has also been saved!

Please keep praying as we continue these follow-ups. Also, pray for the vision clinics we are planning for June 2026. Thank you for supporting the work here in Ghana!
